*HH - offering far more than "just a set of papers"*

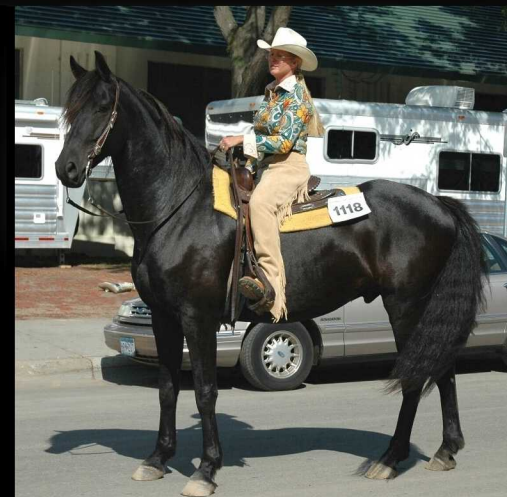

The Friesian Heritage Horse and Sporthorse International is an inclusive registry for Friesian crossbred and purebred Friesian horses that supports and respects both equally.

The HH provides a registry with integrity, which is inclusive and attentive to detail. All horses of 25% to 100% documented Friesian heritage are Welcome!

Our basic registration is simple and affordable with a fast turn-around time for papers. The HH does not require a yearly membership fee. Optional advanced programs that reward quality breeding and place an emphasis on "suitability of type" are available.

In addition to offering inspections and advanced registration divisions, the HH supports Open showing and provides awards for Open Competition. HH also offers USDF All Breed Awards, at all levels, to both purebred and crossbred horses in their respective divisions. HH is the first registry to offer this "equal opportunity" to both crosses & purebreds.

The goal of the Friesian Heritage Horse and Sporthorse International is to promote horses of Friesian heritage in a manner that will secure and further improve the value of these wonderful horses, both now and into the future.
