

Transfer of Ownership Form

Transfer time is a good time to add DNA testing (See the important information at the bottom of this page). You can also add a microchip number or the horse's lifetime show numbers for IFSHA, USEF & USDF.

- Transfer fee without DNA testing \$35
Transfer fee with DNA markers \$65
Transfer fee with Dwarfism-Hydrocephalus genetic abnormality testing \$100
Transfer fee with DNA markers and Dwarfism-Hydrocephalus genetic abnormality testing \$130

Send in the ORIGINAL LAMINATED REGISTRATION CERTIFICATE and Payment in US dollars.

Optional Bill me by PayPal (PP fee will be added) PayPal Email

Mail to: Heritage Horse International ~ 1266 150th Avenue ~ Ogilvie, MN 56358

PLEASE PRINT-New Owner's Name Clearly (First, Middle initial, Last), New Owner's Signature, Date, New Owner's Street Address, City, State/Province, Zip Code, Country, Phone #, Cell Phone #, Email

Has your horse been DNA tested? You will receive a laminated copy of the DNA test/s with your new registration certificate. Look at the bottom right side of your Registration Certificate...does it say "DNA: On File"? If not, your horse probably does not have DNA markers. IMPORTANT TEST FOR BREEDING HORSES Dwarfism & Hydrocephalus are dangerous genetic abnormalities that are prevalent in Friesians, and now found in crossbreds. Simply pull (do not cut) 30 to 40 hairs from your horses mane or tail and tape them in the middle on the back of this page. Fold this page in thirds so it covers the hair. DO NOT TAPE OR TOUCH THE ROOTS. PLEASE DO NOT PUT HAIR IN A PLASTIC BAG.
