Heritage Warmblood Registration–This classification of registration is for horses who are **NOT** sired by a purebred Friesian parent. To qualify for Heritage Warmblood Registration, the horse must meet with strict inspection criteria, must be a minimum of 25% Friesian blood and **must be DNA tested**.

*Horses may hold only one type of certificate at a time. Upgrades of certificates are optional and require an upgrade fee of \$20 and this "Change of Certificate" form. The original certificate issued must be returned to HH, via certified mail, before HH will grant the upgraded certificate. Please note that registration options and requirements may be changed, added or eliminated, upon review, as deemed necessary by the Council Members of the HH.

I have enclosed copies of the required score sheets
